

25 March 2019

Attn: Honorary Secretary
RSL NSW sub-Branch

Dear Honorary Secretary,

RSL SUB-BRANCH and RSL AUXILARY – Personal (Members) Accident Insurance Scheme

The RSL NSW sub-Branch Master Personal Accident Insurance policy expires - 31/05/2019.

ANZAC House instructed Scott and Broad to seek terms from competitors to ensure the best outcome with regards to price and cover for sub-Branch members. Quotes received for 2019 were slightly above the premium paid last year.

Accident and Health continue to provide the most appropriate terms of cover. Other insurers have significant age restrictions on claimable amounts which is not suitable given the demographic of members. We advise that this year's insurance premium has increased from 0.77c per member to 0.80c per member.

0.80 Cents per member including GST.

Attached is this year's renewal application form which is sent out each year by ANZAC House to each individual RSL NSW sub-Branch.

The renewal procedure which was used last year will apply again this year.
