

DO YOU HAVE A GREAT STORY TO SHARE?

The Reveille team is looking for your stories, news and views. The content produced for the magazine will be distributed throughout the veteran and wider community to showcase what the RSL is and what we stand for, and to encourage veterans and their families to join us.

WHAT WE WANT TO HEAR ABOUT:

- Sub-Branch events
- Membership recruitment and retention initiatives
- Support and services provided to veterans and their families, including donations
- How you're connecting with your community
- Interesting stories about veterans and their families
- How your Auxiliary is supporting the sub-Branch and community
- Historical contributions about wars and conflicts

PHOTOS

Please ensure:

- Photos are high resolution at a large size – ideally we aim for 300dpi at around the size of an A4 page, or around 1MB in size at a minimum
- Photos are not edited, cropped or compressed
- They're relevant, in focus and visually appealing, including the background
- You share a caption detailing who is in the photograph and what they are doing
